[ON-SCREEN HEADLINE: New Developments; TX Governor Threatens to Arrest Democratic Lawmakers]

JONATHAN KARL: The fight in Texas is setting off a national battle over redistricting with the Democratic governors of California and New York threatening to do what Republicans are doing in Texas.

GOVERNOR GAVIN NEWSOM (D-CA): Yes, fighting fire with fire.

GOVERNOR KATHY HOCHUL (D-NY): They're leaving us no choice. We must do the same.

KARL: Texas Democrats have tried this move before back in 2021 and in 2003. In both cases, the standoff went on for weeks, but the Democrats eventually returned to Texas and the move failed to stop the Republicans. Robin?

ROBIN ROBERTS: Alright, we'll see what happens this time as well.
