Mr. Jack Dorsey
Twitter, Inc.
1355 Market Street, Suite 900
San Francisco, CA 94103

Dear Mr. Dorsey,

By now, you have no doubt seen the devastating and damning videos released by James O’Keefe’s Project Veritas. In these videos, one Twitter employee after another is caught on tape smugly celebrating how conservatives are “shadow-banned” on your platform.

Project Veritas’s videos provide evidence which cannot be disputed.

The purpose of this letter is to ask if censorship of conservative voices is the official policy at Twitter. If not, what steps are you going to take to remedy this situation and release to assuage the public of Twitter’s commitment to free speech?

We are releasing this letter publicly and will distribute it to our millions of grassroots supporters. We will also release publicly your response or lack thereof.

Sincerely,

A handwritten signature in black ink, appearing to be 'L. Brent Bozell III', written in a cursive style.
